

EMF Safe Haven - Bonus Items Update Summary

Changes Completed

Images Added

1. **Silicone Band Image** (`public/silicone-band.png`)
 - Your uploaded black silicone band with blue EMF wave design
 - Size: 142KB
 - Displays in both order section and value stacking section
2. **Phone Sticker Image** (`public/phone-sticker.png`)
 - Professional EMF phone sticker product image
 - Size: 21KB
 - Displays in both order section and value stacking section

Component Updates

Order Section (`components/order-section.tsx`)

Before:

- 4x EMF Phone Stickers: \$119.80

After:

- 2x EMF Phone Stickers: \$59.82
- 2x Silicone Bands: \$59.98

Value Stacking Section (`components/value-stacking-section.tsx`)

Changes:

- Split single phone sticker item into two separate bonus items
- Added image display capability for bonus items
- Both items now show with their actual product images (80x80px)
- Added proper descriptions:
 - "Protect your mobile devices wherever you go" (Phone Stickers)
 - "Wearable EMF protection with stylish design" (Silicone Bands)

What Your Customers Will See

Order Summary Card

- Clear breakdown showing 2 phone stickers and 2 silicone bands separately
- Individual pricing for each bonus item
- Total value and savings prominently displayed

Value Stacking Section

- Visual product cards with actual images of both bonus items
- “FREE BONUS” badges on each item
- Professional presentation with hover effects
- Clear value proposition for each item

Important: Don't forget to merge the PR to deploy these changes to your live site!
